

Put The
healing
power of
Applied
Kinesiology
into your
hands!

Has the Light Gone Out in Your Practice?

Rekindle the Flame.

- Unlock the secrets of the body!
- Create a recipe of traditional care and add forward thinking techniques and the results will dazzle your patients, your practice and your life!
- Learn what you can do to bring maximum results to your patients, while creating a referral only and cash practice!
- You will never again be bored in practice and will look forward to each new day in your office.
- Do your patients stop coming when their insurance runs out? If they do then let me teach you the know-how to have true value in your services.
- Come on a voyage that will change your outlook and your income. Register today!

Based upon 24 years of teaching Applied Kinesiology and also taking numerous postgraduate programs, the one adage that holds true is "The Mind Can Only Absorb As Much As The Seat Can Endure". This two-day program is designed with a 7 and 5 hour modules for maximum learning and retention so you will be able to apply the AK techniques immediately in your practice.

"Dr. Sprieser's ability to show the use of AK as a diagnostic tool is both thought provoking and insightful".

Joseph E. Sherrill, M.D., Assistant Professor of Neurosurgery, Saint Louis University

"Dr. Sprieser's AK course fits the bill-his teaching skills are organized and efficient."

Gregory W. Sheehan, D.C., DIBCN

"I have studied with Dr. Sprieser and highly recommend his AK course."

Dr. Bruno Casatelli, D.P.M.

"Dr. Paul Sprieser is a superb teacher of AK. I know because he has lectured with me on many occasions. His contributions have been cited in the AK literature and he is recognized worldwide by AK practitioners and especially by the students he has taught."

– George J. Goodheart, D.C., DIBAK, Research Director, ICAK

INSTRUCTOR

Paul T. Sprieser, DC, DIBAK

Dr. Sprieser received his BS degree from NYU and his DC from the Chiropractic Institute of NY. He has specialized in AK for over 30 years and been a diplomate of ICAK since 1983. His mentor was Dr. George Goodheart, the founder of AK.

Dr. Sprieser has taught the basic AK course since 1984 and has co-lectured with Dr. Goodheart. He was a consultant to the Fairleigh Dickinson Dental School, specializing in TMJ and has taught this at the NJ College of Medicine & Dentistry.

He is currently an associate professor at NYCC, has published 56 research papers in ICAK, 15 papers in Chiropractic Economics, and one in Dynamic Chiropractic and The Journal of Vertebral Subluxation.
